CAMBRIDGE ONLINE

Make your global payments, including electronic funds and international wire transfers, conveniently online with Cambridge Online. Cambridge Online provides you with industry leading security, single point of access and control to help manage and initiate your global payments.

Track your payments: Receive instant confirmation of your orders and gain online access to SWIFT confirmations for all of your international payments.

Global Payments: Send payments in more than 130 currencies to meet your global needs.

Customized Reporting: We retain all of your transaction data, whether it is placed via phone with your dedicated trader, fax or online. Through Deal Access, you can run a variety of reports to suit your business needs.

24/7 Online Access: Execute spot and forward transactions seamlessly online with real-time quotes available in two easy steps.

Multi-Currency Accounts: Purchase currency in bulk and disburse it at a later date – a great way to take advantage of favourable exchange rates.

Competitive Rates: At Cambridge, we've built our business by being amongst the most price competitive foreign exchange payment companies in the industry, though we also offer a full suite of solutions specifically tailored to your industry as well as a team of dedicated financial professionals to help you every step of the way.

PAYMENT OPTIONS

Wire Transfers: Wire foreign currency funds directly to your beneficiary's account. Many countries feature same-day processing and all payments can be accompanied by a notification email advising the beneficiary of payment.

Electronic Funds Transfers: Ensure timely settlement of funds and reduce transactions costs with international low value payments.

Foreign Currency Drafts: Ensure timely settlement of funds and increase your negotiating power by sending draft payments in your beneficiaries' local currencies.

SETTLEMENT OF TRANSACTIONS

E-banking: Payments can be made to Cambridge via the e-banking platforms of all major banks, via wire or intra-bank transfer.

Electronic Funds Transfer: Facilitate an electronic funds transfer to Cambridge with an ACH, DEFT, or Direct Debit payment to ensure seamless settlement; or you can take advantage of our Wire Transfer Network.
